

CONGRESS OF THE UNITED STATES
HOUSE OF REPRESENTATIVES

May 3, 2024

The Honorable Tom Cole
Chairman
Committee on Appropriations
H-307, The Capitol
Washington, D.C. 20515

The Honorable Rosa L. DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Hertford County Water System Improvements project in fiscal year 2025.

The entity to receive funding for this project is the Hertford County Government, located at:

115 Justice Drive
Winton, North Carolina 27986

The funding would be used for the improvement and expansion of the existing water system in Hertford County. This project is a good use of taxpayer funds because this is an investment in infrastructure in a region of the state that has high poverty and a high percentage of traditionally marginalized populations. The investment will build the infrastructure that is required to accommodate increasing interest from industrial and housing investments towards construction.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that neither I nor my immediate family has any financial interest in this project.

Thank you very much.

Sincerely,

Donald G. Davis
Member of Congress
