The Honorable Tom Cole
Chairman
Committee on Appropriations
H-307, The Capitol
Washington, D.C. 20515

The Honorable Rosa L. DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Sharpsburg Sewer Infrastructure Rehabilitation project in fiscal year 2025.

The entity to receive funding for this project is the Town of Sharpsburg, located at:

110 W Railroad Street
Sharpsburg, North Carolina 27878

The funding would be used to implement improvements on about 14,000 LF of existing dilapidated sewers so that they exclude this groundwater infiltration. This project is a good use of taxpayer funds because the project would help control sewer charges for the town and assist the town in becoming a sustainable system.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that neither I nor my immediate family has any financial interest in this project.

Thank you very much.

Sincerely,

Donald G. Davis
Member of Congress
