The Honorable Tom Cole  
Chairman  
Committee on Appropriations  
H-307, The Capitol

The Honorable Rosa L. DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Plymouth, NC Emergency Public Health & Safety Facility Upgrades project in fiscal year 2025.

The entity to receive funding for this project is the Centennial Housing & Community Service Corp (DBA Washington Regional Medical Center), located at:

958 US Highway 64E  
Plymouth, NC 27962

The funding would be used for improved ED/EMS Disaster readiness in the communities served, improved ED/EMS service to the communities served, increased employment in the community, and security upgrades. Specifically, funds would go towards reconstruction of the Emergency Department at Washington Regional Medical Center: Design & Construction - architectural and engineering fees, construction costs (including building materials, labor, HVAC and electrical systems, plumbing & medical gases and finishing costs).

The project has a Federal nexus because the funding provided is for purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family has any financial interest in this project.

Thank you very much.
