

CONGRESS OF THE UNITED STATES  
HOUSE OF REPRESENTATIVES

March 24, 2023

The Honorable Kay Granger  
Chairwoman  
Committee on Appropriations  
H-307, The Capitol  
Washington, D.C. 20515

The Honorable Rosa L. DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Robersonville Meter Replacement project in fiscal year 2024.

The entity to receive funding for this project is the Town of Robersonville, located at:

109 South Main Street  
Robersonville, North Carolina 27871

The funding would be used for the replacement of all the outdated meters in service. The project replaces 971 residential meters and 36 larger meters and installs 4 meters on currently unmetered connections. This project is a good use of taxpayer funds because it will allow the Town to correctly allocate the cost of water to the customers using that water. It will increase Robersonville's water system revenue and improve its financial position.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that neither I nor my immediate family has any financial interest in this project.

Thank you very much.

Sincerely,

Don Davis  
Member of Congress
