

CONGRESS OF THE UNITED STATES
HOUSE OF REPRESENTATIVES

The Honorable Kay Granger
Chairwoman
Committee on Appropriations
H-307, The Capitol
Washington, D.C. 20515

The Honorable Rosa L. DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Water Plant Improvement project in fiscal year 2024.

The entity to receive funding for this project is the Pasquotank County Government, located at:

206 E. Main Street
Elizabeth City, North Carolina 27909

The funding would be used for expansion of Pasquotank County's Reverse Osmosis Water Plant. This project is a good use of taxpayer funds because it would expand clean water production in Pasquotank County from 2 million gallons a day to 3 million gallons a day and contribute to the local economy through purchase of Reverse Osmosis Water produced by the county.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that neither I nor my immediate family has any financial interest in this project.

Thank you very much.

Sincerely,

Don Davis
Member of Congress
